

Make a Surfboard

Get crafty! Design a super-cool surfboard for your doll!

What you need:

- A 1/4-inch-thick sheet of white foam from the craft store
- Surfboard pattern to trace
- Acrylic, water-based paint
- Ocean-themed stickers
- Stick-on jewels
- Help from a grownup

How to do it:

1. Cut out the surfboard pattern and place it on top of the foam.
Trace around it with a pencil.
2. With a grownup's help, follow the pencil outline and cut out your surfboard.
3. Paint your surfboard with your fave colors.
4. Let it dry completely.
5. Decorate with stickers or stick-on jewels.
6. Have a blast "surfing" with your Barbie® doll!
